SUBJECT

Re. Introduction of Dog Licensing Act in all the Municipalities of the District

WD 0418—GPB—22,500—2-38 36

Malwa
6/4/37

ms 27-35-38

Suggestions contained in letter dated 21-8-1935 of the Secretary Imperial Council of Agricultural Research	Remarks of the Director of Agriculture	Secretariat Notes	Orders
IV (a) It is recommended that local Governments should take steps to enforce and extend the existing laws concerning the destruction of stray and ownerless dogs	The Veterinary Inspectors are authorised to destroy only such of the dogs that are suspected for rabis But it appears necessary that it should be further extended to include stray and ownerless dogs The Municipalities and Local Bodies may be addressed to include this in their Regulations wherever there is no provision for it	The Director's suggestion may be referred to the Local Self-Government Branch for necessary action	This resolution with the suggestions of the Director may be referred to L S G Branch for taking further action
(b) It is also for the consideration of Local Governments and States in India whether the time has not now arrived when a dog licensing Act should be introduced in each Province and State (c) The fees realised from such licenses would meet the cost of identity discs and recover the cost of providing lethal chambers or other humane methods of destruction	(b) & (c) The introduction of dog licensing Act is very necessary The fees realised may be utilised for getting the identification discs prepared for and for providing humane methods of destruction such as lethal chamber Now that electric facility has become very common in this state it will be very easy to have lethal chambers provided in many of the big cities and towns of the State	The suggestion of the Director is for orders The L S G Branch may perhaps be consulted in the matter If approved a detailed proposal will be called for from the Director for the consideration of Government Ans (SJ) 4/2	The opinion of the local bodies and Deputy Commissioners will have to be invited on the proposal The Inspector-General of Police too may be consulted The case will be transferred to the L S G Branch for being worked up Ans KS 9/2 mV 6/3 NM 10/3

IV (a) With a view to enforce the provisions of the Regulations for the destruction of stray dogs in cities, towns and villages and to ascertain whether the work is being attended to systematically, a quarterly return in the case of Municipalities and a half yearly return in the case of villages was prescribed in G.O. No. L 4191-4202/VP 22-34-7 dated 14-12-34 and the returns are being received regularly No further action in this direction appears necessary.

IV (b) & (c) The question as to how far the provisions of the Municipal Regulations permit of the licensing of dogs has been discussed in file ME 244-34-1 and it was decided that as the Regulations do not provide for the above, they Regulations will have to be suitably amended. But it was however decided that it would be enough if a tax or licensing fee be levied on dogs in Municipalities. Accordingly the Deputy Commissioners of Districts and the Municipal Commissioners, Bangalore city and the President, city Municipal Council, Mysore were requested to enforce the provisions of the Municipal Regulations for levying a tax on dogs (Vide this office letter No. L 8226-35 dated 28-5-35)

With reference to your memo No A5 C 4024/35-36 dated 27th April 1936, I beg to state that it is quite necessary to introduce a dog - licensing Act in villages also and the following arrangements may be ma for licensing purposes

1 The duty of issuing licenses may be entrusted to the Chairman o the Village Panchayet concerned

3 Dogs found without these discs may be considered as stray dogs, and destroyed

With reference to your letter No L 7977-86/M1 67-35-46 dated 27 April 1936 and in continuation of this Office letter No A 3 4209/35-3 dated 1st July 36, intimating the views of the several Municipal Council excepting Koppa, Sringeri and Ajjampur, regarding the above, I have the honor to state that the Municipal Council, Sringeri, has agreed to the introduction of this Act, but has not specified the rate of tax leviable The Koppa Municipal Council has resolved that there is no need for the introduction of this Act The President of the Ajjampur Municipal Council reports that the matter has been placed before the Council copy of the Council's resolution will, on receipt be communicated

Regarding the manner in which licensing arrangements can be introduced and enforced in villages, I am of the opinion that as some of the Village Panchayets in the Malnad are still in an infant stage and as houses included in their jurisdiction are often far apart, the enforcement of this scheme may not be feasible in Malnad tracts

Sir

With reference to correspondence ending with your letter No L 1123-30/Ml 67-35 dated 7th August 1936, re the introduction of a Dog Licensing Act in the Municipal and Rural areas of this Dist , I have the honor to state as follows -

2 As desired in your letter No L 7977-86/Ml 67-35-46 dated 21st April 1936, the opinions of the Municipal Councils of this District were called for

The Presidents of the Holenarsipur, Chennarayapatna, Sravana-belagola, Saklespur and Alur Municipal Councils have furnished copies of the resolutions of the Municipal Councils to the effect that the introduction of the Act is necessary, while the Presidents of the Arsikere, Arkalgud, Konanur, Harnahalli and Belur Municipal Councils have furnished copies of the resolutions of the Municipal Councils to the effect that it is not necessary to introduce the Act

The President, Hassan Town Municipal Council is of opinion that the introduction of the Act is unnecessary as very few persons own dogs in the Municipality

The President, Banavar Minor Municipal Council, has not replied at all once

3 In these circumstances, I am of opinion that the Act may be introduced in the District Head Quarter Towns and a few selected Taluk Head Quarters Municipalities in the first instance for a period of 5 years

The question of extending the Act to other Taluk Head Quarters Municipalities and villages may be considered after watching the working of the Act in the places mentioned above
